01 Devils on Horseback

The day I was engaged the day the day I got divorced

the day oh what a lovely strange day like devils on horseback

The day I was engaged the day the day I got divorced

the day oh what a lovely strange day like devils on horseback

angels on horseback devils on horseback angels on horseback devils on horseback

oh what a lovely strange day like devils on horseback

Love is a travelling passenger

sometimes stays and sometimes goes away goes away

Love is a double-decker bus

time is running in an hour glass

The day I was engaged the day the day I got divorced

the day oh what a lovely strange day like devils on horseback

angels on horseback devils on horseback angels on horseback devils on horseback

oh what a lovely strange day like devils on horseback

02 Alan Rusbridger

Do you love this country Alan Rusbridger?
We love people doing what you did
Everyone should read a good newspaper
Newspapers made out of wood

out of wood, out of wood, out of wood

Newspapers made out of wood, out of wood

I got a voice, I got a voice, I got a voice
I got a voice, I got a voice, I got a voice
I got a voice, I got a voice, I got a voice I got a
voice

Why are you ta-----ping my phonecalls
Why are you rea-----ding my mails
Why are you connected to my head bone
Why you wanna know all my friends

All my friends, all my friends, all my friends

Why you wanna know all my friends, all my friends

I got a voice, I got a voice, I got a voice
I got a voice, I got a voice, I got a voice
I got a voice, I got a voice, I got a voice I got a
voice

Give me back all data found, my privacy, my bank account
Give me back human rights, whistleblowers, occupy

Why are you ta-----ping my phonecalls
Why are you rea-----ding my mails
Why are you connected to my head bone
Why you wanna know all my friends

I got a voice, I got a voice, I got a voice
I got a voice, I got a voice, I got a voice
I got a voice, I got a voice, I got a voice I got a
voice

03 George Harrison

They want your hard drive the men in the trench coats
'cause it's their job to know which way the wind blows

which way the wind blows

in the name of the government the men in the trench coats
they will find out which way the wind blows

which way the wind blows

05 Blue Dot

If you wish, you wish upon a star
a spaceman has seen our world from afar
beautiful blue dot in outer space
slowly destroyed by the human race

Spaceman fly away - Polar bear goo goo goo jooob

Spaceman and polar bear they don't have fun
watching icebergs melting in the sun
Spaceman and polar bear both dressed in white
one disappears, the other is on a flight

Spaceman on a flight - Polar bear goo goo goo jooob

09 Gentrification

This city turned into a ghost town
luxury houses, chain store coffee bars
creating hubs of arts and culture
playground for the upper-middle class

Gent, Gent, Gentrifi----cation
big sell out for a brave new world
Gent, Gent, Gentrifi----cation
A
this town and this town and this town and this town

This city turned into a ghost town
all my favourite clubs are closing down
transformed into another mainstream wasteland
investments to make this city smart

Gent, Gent, Gentrifi----cation
big sell out for a brave new world

10 Nuclear Bunker

Nuclear War is over this is just a dream there
are still nuclear weapons on airplanes and submarines

United Nations Security Council permanent members got nuclear weapons

war is over if you want it as John and Yoko said in sixty nine

war is over if you want it huu huhuhuhu huu

I know a secret bunker the safest place to be
secret nuclear bunker somewhere under---neath

United Nations Security Council permanent members got nuclear weapons

war is over if you want it as John and Yoko said in sixty nine

war is over if you want it huu huhuhuhu huu

I know a secret bunker the safest place to be
secret nuclear bunker somewhere under---neath

and the walls are grey bunk beds for three on a concrete floor nuclear bunker

United Nations Security Council permanent members got nuclear weapons

war is over if you want it as John and Yoko said in sixty nine

13 Special Day

This morning when I woke up I thought about your special day
The day you came into this world and now we sing hooray! 'cause

it's your special day!

B stands for beautiful
I stands for I love you
R stands for Rock'n'Roll
T stands for trust
H stands for happiness
D stands for dancing
A stands for all of it
y stands for yay! 'cause

it's your special day!

I am baking you your favourite cake wrap gifts and think of games to play
The day you came into this world and now we sing hooray! 'cause

it's your special day! Your
very special day!
